

Your One Page Money Guide

1. [Plan](#) before you spend and do not spend your money willy-nilly.
2. [Take steps](#) to ensure that you do not disrupt your money goals.
3. [Always remember](#) you are not the bank of everybody or a mobile ATM.
4. [Do not be in a hurry](#) to celebrate your new financial status; step back and have a good think.
5. Get to know how [other people](#) deal with money before you end up sharing a business, a home or maybe a name with them.
6. Develop [good habits](#) that will help make your money go further than the Lungu's or even the Jones's.
7. Learn to cook foods [at home](#) that you like to eat from restaurants, the canteen and your favourite Take Away place.
8. [Stop buying](#) things just because they are on sale.
9. [Be honest](#) about money that you spend.
10. Do not accept the [status quo](#).
